

## **35KV 66KV Electric Power Fall Arrest Angle Steel Tower**

As the professional manufacturers, Mao Tong would like to provide you 35KV 66KV Electric Power Fall Arrest Angle Steel Tower. And we will offer you the best after-sale service and timely delivery. Customers can rest assured the choose and buy friends.

### **Product Description**

You are welcomed to come to our factory to buy the latest selling, low price, and high-quality 35KV 66KV Electric Power Fall Arrest Angle Steel Tower, Mao Tong looks forward to cooperating with you. The company supports processing and customization, product attribute specifications and quotation for reference only, the price is not as the actual transaction price, due to different product models and specifications, the product price shall be subject to the contract agreed by both parties, we are in line with the principle of large quantity, please communicate with the staff before buying, thank you.

#### **Angle steel tower:**

35KV 66KV Electric Power Fall Arrest Angle Steel Tower, quadrilateral truss structure transmission line tower, using Q345B Q235 high quality steel as the main material of the tower body, rigid structure, small deformation; Angle steel splicing connection, light weight parts, manual handling and installation, low project cost. The tower body can carry 6 layers of platform, each layer of platform can hang 6 antennas.

#### **35KV 66KV Electric Power Fall Arrest Angle Steel Tower Main features:**

35KV 66KV Electric Power Fall Arrest Angle Steel Tower is mainly suitable for the construction of stations in areas where machinery and large vehicles cannot reach, such as mountains, suburbs, urban and rural combined zones, roads and railways.

Draw lessons from the developed countries of the Angle steel tower manufacturing process, adopts the seamless steel tube production the pillar of the material, the greatest degree of reducing the weight of the Angle steel tower, reduces the area with the manufacturing cost, transportation and maintenance costs are greatly reduced, the Angle steel tower today compared with the domestic traditional Angle steel tower in various aspects have greatly improved performance, customers can rest assured the choose and buy friends.
